

Symposium:

Leibniz Institute for Age Research
Fritz Lipmann Institute (FLI)

Genomic Imprinting & Endocrine Conditioning

Friday, 26th August, 2011
3 – 6 pm
Beutenberg Lecture Hall (FLI)

Program:

- 3.00 pm:** **Peter Herrlich, FLI** Welcome & Introduction
- 3.10 pm:** **Bernhard Horsthemke, Essen**
Genomic Imprinting and Imprinting Defects in Humans
- 3.40 pm:** **Lutz Schomburg, Berlin**
Die Mondgöttin und ihr Schmetterling
- eine einzigartige Symbiose
- 4.10 pm:** **Jens Mittag, Stockholm**
A Novel Diagnostic Biomarker for Resistance to Thyroid Hormone

--- Coffee break ---
- 5.00 pm:** **Jan Ehrchen, Münster:**
New Inflammatory Mechanisms of Glucocorticoids
- 5.30 pm:** **Heike Heuer, FLI**
Knockin´ on Heaven´s Door
- How Thyroid Hormone gets into the Brain

Organization: H. Heuer & P. Herrlich
